## WHY THE GED?

Earning a GED is a way to acquire a secondary school credential without graduating from a traditional high school. Enrolling in a preparatory class can help familiarize you with what is on the test, the types of questions you will be asked, and the format used on the GED tests.

## WHAT ARE PREP CLASSES?

In our GED prep classes, we build on the skills you already have, work on the skills that need improvement, and teach test-taking skills to alleviate anxieties you may have. Most importantly, we are there to cheer you on and help however we can!

## HOW DO YOU REGISTER?

**Apply online!** Next, a registration appointment will be scheduled for you to take the placement test to enroll. At your registration appointment, bring your state-issued ID or driver's license along with \$25 registration fee. Plan on staying at least three hours.
