- Question 9: Can you provide more information about what Power Hour entails in terms of programming?
- District Response: Power Hour is for one hour after dismissal - students must be picked up by 3:45. Any student not picked up by 3:45 must be transferred into the daily attendance for the program and the parent will be charged the daily rate. The students must be divided into grades usually K-1, 2-3, 4-5. The main activities are physical play (outside) and structured activities. No snacks are provided to students during this time. Parents who choose to pick up their children will do so at the designated pickup spot at the elementary school. There must be an after-school care staff member to walk the elementary students to the middle schools.
- Question 10: What are the Power Hour operating hours? (start and end time)
- District Response: 2:30 - 3:45 - daily Consideration: go to 4:00 to accommodate high school families. *If parents are late with pick up - Children must go to the after school program and be charged for the daily rate. . (Parents must register for the afterschool program in the case of an emergency.)
- Question 11: If the hours are the same as the after school programming for K-5, and if so, can the Power Hour students participate in regular programming?
- District Response: Power Hour is separate from the regular programming.
- Question 12: How many students are currently enrolled in Power Hour per week?
- District Response: Approximately 50 students.
- Question 13: Can you please confirm that students would travel independently from the two middle schools to the two elementary schools for Power Hour programming?
- District Response: There must be an after-school care staff member to walk the elementary students to the middle schools.
