PowerSchool Website (INITIAL LOGIN)

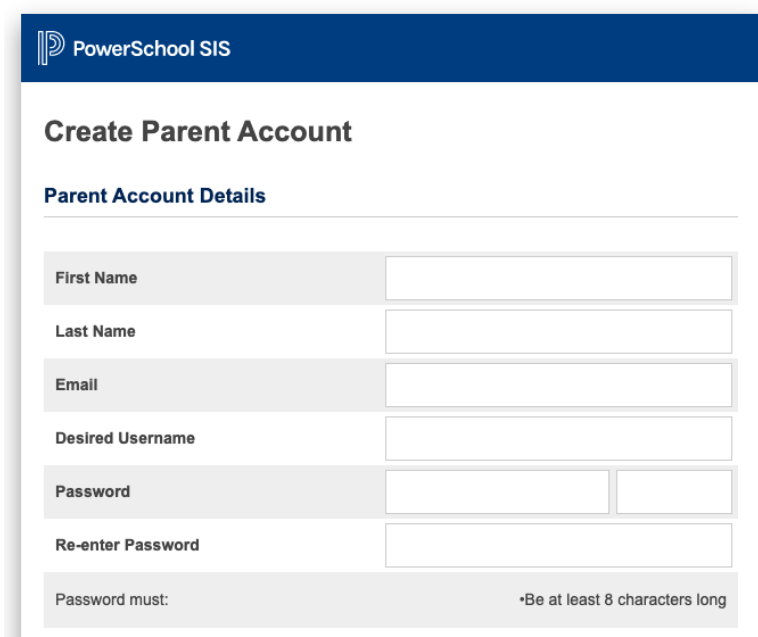

TO CREATE A PARENT ACCOUNT:

1. Go to <https://lexington1.powerschool.com/public/home.html> This website is the same one that your child will use to access their PowerSchool account.

The screenshot shows the 'Student and Parent Sign In' page of the PowerSchool SIS website. At the top is a blue header with the PowerSchool SIS logo. Below the header, there are two tabs: 'Sign In' (selected) and 'Create Account'. The 'Sign In' section contains fields for 'Username' and 'Password', a 'Forgot Username or Password?' link, and a 'Sign In' button. Below this, there is a section titled 'Have a nice day.' which contains information about mobile app updates: 'PowerSchool Mobile for Android version 1.1.8 is now available for download on the Google Play Store.' and 'PowerSchool Mobile version 2.6.0 for iOS Now Available. This release provides a new enhanced student schedule, and fixes to existing issues.' followed by a bulleted list of updates.

2. Click create account. Enter your information under “Parent Account Details.” To link your student’s account, you will need to provide the access ID, access password, and relationship for each student you wish to add to your Parent Account. **This information can be provided to you by the school records operator.**

The screenshot shows the 'Create Parent Account' page of the PowerSchool SIS website. At the top is a blue header with the PowerSchool SIS logo. Below the header, the title 'Create Parent Account' is displayed. Underneath, there is a section titled 'Parent Account Details' which contains several input fields: 'First Name', 'Last Name', 'Email', 'Desired Username', 'Password' (with a strength indicator), and 'Re-enter Password'. At the bottom, there is a note: 'Password must: •Be at least 8 characters long'.

3. Click enter once all the information is entered and you will now have access to PowerSchool parent portal for your students.

Have a nice day.

PowerSchool Mobile for Android version 1.1.8 is now available for download on the Google Play Store.

PowerSchool Mobile version 2.6.0 for iOS Now Available.
This release provides a new enhanced student schedule, and fixes to existing issues.

- A new main navigation button allows users to open a bell schedule view of the day (iPhone) or week (iPad) which includes course name, period, start and end times, and room number for each class.
- Resolves existing issues related to authentication and data sync.

- Click on the left side column of the website to view Grades, Attendance, Teacher Comments, etc.
- First choice is Grades and Attendance. Notice the name in a lighter shaded blue background with white text is the child you are viewing. **If you have another child and want to view their information, click on their name which is located in the same area.
- Now you are viewing the other child's Grades and Attendance.
