Early Pick Up Cutoff Time is 3:00 PM. Please pick up your student prior to that time for appointments, etc.

Attention 7th & 8th Graders! The College Center application process opens up on September 22nd! 🦁

Attention current seventh and eighth-graders – the application process for Lexington One's The College Center (TCC) opens this Friday, Sept. 22!

TCC is an early college program, housed at North Lake Community Learning Center, for rising ninth graders from any school in our district. The highly structured four-year progression provides students the opportunity to earn more than 60 hours of college credit, while also having an opportunity to complete an associate in arts degree while still in high school – saving time and money!

[Click here for more information and to view the application.](#)

The College Center will be holding information sessions to learn more about their program and meet with current scholars and staff. RSVP to attend one of these sessions at the links below. We have an in-person and virtual option available.

Here is the link to RSVP for the sessions: <https://forms.gle/puVjcWxk1nBmo3oT9>

Bengal Parents and Students - PLEASE READ 🦁

Bengal Parents and Students! We love that we have a community within walking distance from BMS! Please know that Summer Lake is NOT a place where car riders should be dropped off or picked up after school instead of the BMS car lines. We pride ourselves on how quickly our car line flows and the ability to ensure the safety of our Bengals by having a supervised carline for them to arrive and return home safely. Students who do not live in Summer Lake are not be permitted to walk to this neighborhood. Thank you for being mindful of our neighbors and respectful that the Summer Lake neighborhood is not an extension of the BMS car line.

IMPORTANT Information regarding LHS Football Games 🗨️

Reminder: Any middle school student attending Lexington High School home football games **must be accompanied by a parent or guardian**. Unaccompanied students will not be permitted to enter. Thank you for supporting the Wildcats!!

Volleyball Concessions Sign up for Home games 🏐🌟

Parents - your help is needed with concessions for our Bengal Volleyball Home games! Please click the link to sign up - <https://www.signupgenius.com/go/805084CAEAA2EA7FC1-volleyball>

We are looking to add to the beauty of the Beech! If any students need to earn community service hours for participation in a club or organization (ex: Eagle Scouts) and would like support some of our upcoming beautification projects, please contact Mrs. Sarantopoulos!

Schoology information 📖

Parents who would like their child's Schoology code (this is the place where classwork and assignments are posted) should request their code from their child's 4th Core teacher. We encourage parents to have their Bengal log into their Schoology page with them to support their student showing/explaining what they are working on and related assignments in each class. This will allow the parent to see exactly what the student sees.

Math Homework Help Center +−×÷

Lexington One is offering free math help before and after school on Tuesdays and Thursdays. This will be hosted at BMS and run by BMS teachers. Please read [this letter](#) to get all the details.

*Important Information
from our Front Office*

Parents - We need your help....

1) **Forgotten Items** - we have had an overwhelming amount of forgotten items being dropped off in the Front Office. The best way you can help us is making sure that your Bengal has everything that they need for a successful school day when they arrive in the morning. We appreciate your help with this!

2) **Lost and Found Items** - Please add your student's names to their lunch boxes, jackets or other personal items so that we can get them returned to your student as soon as possible. We have had several lunch boxes and jackets found with no names, so we are unable to reunite these items with their owners. Thank you so much for your help with this!

Morning Arrival Information - IMPORTANT 🚗

BMS Families:

Please know that students are not able to enter BMS until 7:00 a.m.

Students who are dropped off on the side of the building before 7:30 a.m. should walk around to enter our main entrance as side doors are locked until 7:30 a.m. Students who arrive at the main entrance before 7:30 a.m. will walk through the main office to gain entry into the building. This keeps all building entrances secure until a faculty or staff member is present to monitor arrivals.

Late Arrivals -

If your student arrives after 8:05 AM, you must come in with your student to the Front Office to sign them in. They are considered a late arrival (tardy) after this time and must be accompanied by their parent/guardian to be signed in. Thank you!
