About Me

A Little About Me: This is my 27th year teaching kindergarten, but my third year at GES. I grew up in Rock Hill but lived in Lexington for 18 years. I got married October 2019 and my husband and I bought a lake house in Batesburg this past April. I have a son who graduated from Clemson in the spring and a daughter who is a junior at River Bluff High School. I love spending time on the lake and at Edisto with my husband, children, and friends. I am also a huge Clemson fan!
