Assurances for School Renewal Plan

Assurances checked below, along with the signature page signed by the superintendent and school principal, attest that the school complies with all applicable regulatory and statutory requirements listed.

Early Childhood Development and Academic Assistance Act (Act 135) Assurances (S.C. Code Ann §59-139-10 <i>et seq.</i> (Supp. 2004))	
N/A	Academic Assistance, PreK–3 The school makes special efforts to assist children in PreK–3 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).
Yes	Academic Assistance, Grades 4–12 The school makes special efforts to assist children in grades 4–12 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation).
Yes	Parent Involvement The school encourages and assists parents in becoming more involved in their children’s education. Some examples of parental involvement initiatives include making special efforts to meet with parents at times more convenient for them; providing parents with their child’s individual test results and an interpretation of the results; providing parents with information on the district’s curriculum and assessment program; providing frequent, two way communication between home and school; providing parents an opportunity to participate on decision making groups; designating space in schools for parents to access educational resource materials; including parent involvement expectations as part of the principal’s and superintendent’s evaluations; and providing parents with information pertaining to expectations held for them by the school system, such as ensuring attendance and punctuality of their children.
Yes	Staff Development The school provides staff development training for teachers and administrators in the teaching techniques and strategies needed to implement the school/district plan for the improvement of student academic performance. The staff development program reflects requirements of Act 135, the EAA, and the National Staff Development Council’s revised Standards for Staff Development.
Yes	Technology The school integrates technology into professional development, curriculum development, and classroom instruction to improve teaching and learning.
Yes	Innovation The school uses innovation funds for innovative activities to improve student learning and accelerate the performance of all students.
Yes	Collaboration The school (regardless of the grades served) collaborates with health and human services agencies (e.g., county health departments, social services departments, mental health departments, First Steps, and the family court system).

N/A	<p>Developmental Screening</p> <p>The school ensures that the young child receives all services necessary for growth and development. Instruments are used to assess physical, social, emotional, linguistic, and cognitive developmental levels. This program normally is appropriate at primary and elementary schools, although screening efforts could take place at any location.</p>
N/A	<p>Half-Day Child Development</p> <p>The school provides half-day child development programs for four-year-olds (some districts fund full-day programs). The programs usually function at primary and elementary schools. However, they may be housed at locations with other grade levels or completely separate from schools.</p>
N/A	<p>Developmentally Appropriate Curriculum for PreK–3</p> <p>The school ensures that the scope and sequence of the curriculum for PreK–3 are appropriate for the maturation levels of students. Instructional practices accommodate individual differences in maturation level and take into account the student's social and cultural context.</p>
Yes	<p>Parenting and Family Literacy</p> <p>The school provides a four component program that integrates all of the following activities: interactive literacy activities between parents and their children (Interactive Literacy Activities); training for parents regarding how to be the primary teachers for their children and how to be full partners in the education of their children (parenting skills for adults, parent education); parent literacy training that leads to economic self-sufficiency (adult education); and an age-appropriate education to prepare children for success in school and life experiences (early childhood education). Family Literacy is not grade specific, but is generally most appropriate for parents of children at the primary and elementary school levels and below as well as for secondary school students who are parents. Family Literacy program goals are to strengthen parental involvement in the learning process of preschool children ages birth through five years; to promote school readiness of preschool children; to offer parents special opportunities to improve their literacy skills and education; to provide parents a chance to recover from dropping out of school; and to identify potential developmental delays in preschool children by offering developmental screening.</p>
Yes	<p>Recruitment</p> <p>The district makes special and intensive efforts to recruit and give priority to serving those parents or guardians of children, ages birth through five years, who are considered at-risk of school failure. “At-risk children are defined as those whose school readiness is jeopardized by any of, but not limited to, the following personal or family situation(s): parent without a high school graduation or equivalency, poverty, limited English proficiency, significant developmental delays, instability or inadequate basic capacity within the home and/or family, poor health (physical, mental, emotional) and/or child abuse and neglect.</p>
Yes	<p>Coordination of Act 135 Initiatives with Other Federal, State, and District Programs</p> <p>The district ensures as much program effectiveness as possible by developing a district-wide/school-wide coordinated effort among all programs and funding. Act 135 initiatives are coordinated with programs such as Head Start, First Steps, Title I, and programs for students with disabilities.</p>

District Requested Strategic/Renewal Plan Waiver

The State Board of Education has the authority to waive regulations pursuant to (SBE Regulation 43-261) (C) District and School Planning which states the following:

Upon request of a district board of trustees or its designee, the State Board of Education may waive any regulation that would impede the implementation of an approved district strategic plan or school renewal plan.

All waivers must be requested in writing, signed by the local superintendent, and approved by the local school board prior to being sent to State Accountability. Use the following link to obtain more information on the waiver process:

<http://ed.sc.gov/districts-schools/state-accountability/waiver-requests/>

District Wavier Requested and Approved	Explain how the SBE Regulation would impede the implementation of an approved district strategic or school renewal plan.
1. Extension for initial District Strategic and School Renewal Plans (SBE Regulation 43-261)	
2. Teachers teaching more than 1500 minutes (SBE Regulation 43-205)	
3. Teachers teaching more than 4 preps (SBE Regulation 43-205)	
4. High School Principal over two schools or grades more than 9-12 (SBE Regulation 43-205)	
5. Other (Include the SBE Regulation number to be waived)	Lexington County School District One received a waiver for SBE Regulations 43-231 (II), 43-232 (I), 43-234 (VI)(C)(1), 43-234 (II)(b), and 43-234 (VI)(C)(I) from the S.C. Department of Education to allow our students enrolled in Lexington District One Online Learning Academy or those taking part in the Graduation Alliance Partnership to have a flexible way to earn credits so they are not bound by seat time for grade-level promotion. This waiver affords our students throughout the system multiple pathways to accelerate learning or recover credits so they might progress on time with the requisite skills for success necessary for success in a career, the military, or school beyond the K-12 system.
6. Other (Include the SBE Regulation number to be waived)

**Our mission is to cultivate
a caring community
where ALL learners
are extraordinary communicators,
collaborators, creators and critical thinkers.**

System Commitments

The idea of 'system commitments' rather than strategic goals indicates that these are promises we make to ourselves, our students and our community, rather than numerical goals to check off. Annual performance goals will be driven by our commitments.

1. All students, regardless of circumstances, advance on time, prepared to graduate and ready to enter college, the military or industry with certification.
2. Teaching and learning develop power skills in all students.
3. Our schools are service-oriented centers of learning, committed to family and community partnerships.
4. Every adult will be equipped with the skills and resources necessary to advocate for and ensure the success of all students.

Executive Summary of Needs Assessment Data Findings

School Name: Lexington High School

Per SBE Regulation 43-261, the annual needs assessment will provide focus for planning teams to set priorities for the plan. The comprehensive needs assessment must identify targeted areas of discrepancy between the desired performance levels and the current status as indicated by available data. Any discrepancies in the following areas identified by the school and district report cards must be included in the plan: (1) achievement, (2) achievement by subgroups, (3) graduation rates, (4) attendance, (5) discipline, (6) teacher/administrator quality and professional growth, and (7) other priority areas.

Measurable performance goals, written in five-year increments, shall be developed to address the major areas of discrepancy found in the needs assessment in key areas reported in the district and school report cards.

State Report Card for districts and schools data:

<http://ed.sc.gov/data/report-cards/state-report-cards/>

Directions: In the appropriate boxes, use school data to identify areas in need of improvement. Required areas to be addressed: Student Achievement, Teacher/Administrator Quality, and School Climate.

<p>Student Achievement</p> <p>Primary School (K - 2) Student</p> <p>Elementary/ Middle School (3 - 8) Student</p> <p>High School (9 - 12) Student</p>	<p>Lexington High School continues to work to close gaps in academic achievement. Although we continue to exceed state expectations, we still see disparities in outcomes with specific subgroups, including students with disabilities, multilingual learners, and African American boys. We recognize that our curricular approaches are not reaching all of our students equitably.</p>
<p>Teacher/Administrator Quality</p>	<p>We believe that all students benefit from a clear and coherent curriculum that is driven by consistent and explicit outcomes across subjects and grade levels. This year we have strengthened our efforts to support and coach teachers in the design of rigorous and engaging curriculum around a common profile of the Lexington graduate. Both teachers and administrators have engaged in professional learning around curriculum design and the deeper learning strategies that students will experience.</p>
<p>School Climate</p>	<p>Through measures like Terrace Metrics student inventories, we know that our students are reporting improved mental wellness but many still cite academic and social anxiety as a challenge. Through schoolwide “empower” lessons, systematic academic intervention programs, and our comprehensive school counseling office, we seek to serve the whole child recognizing the obstacles our students face regarding mental health and social or academic</p>

System Commitments

The idea of 'system commitments' rather than strategic goals indicates that these are promises we make to ourselves, our students and our community, rather than numerical goals to check off. Annual performance goals will be driven by our commitments.

1. All students, regardless of circumstances, advance on time, prepared to graduate and ready to enter college, the military or industry with certification.
2. Teaching and learning develop power skills in all students.
3. Our schools are service-oriented centers of learning, committed to family and community partnerships.
4. Every adult will be equipped with the skills and resources necessary to advocate for and ensure the success of all students.

Strategic Areas of Emphasis

- Literacy and Numeracy
- High Impact Teaching and Learning
- Leadership Development
- Opportunity and Access

South Carolina State Department of Education Required Goal Categories

- Student Achievement
- Teacher and Administrator Quality
- School Climate
- Gifted and Talented

Performance Goals

1. The district will increase the percentage of students who are progressing on-time with the requisite skills for success at their current grade levels.
2. The district will implement strategies to improve equity in high level coursework.
3. The district will implement strategies to improve performance in high level coursework.
4. The district will improve the conditions that lead to student success in each school by utilizing a system of advocacy for each child that facilitates healthy social and emotional growth.
5. The district will increase opportunities for district personnel to participate in collaborative professional learning opportunities that impact student achievement.
6. The district will implement strategies to improve customer service, parent engagement, and community involvement.

Performance Goal 1 : The district will increase the percentage of students who are progressing on-time with the requisite skills for success at their current grade levels.
