## Required Signature Page

The district strategic plan, or annual update, includes elements required by the Early Childhood Development and Academic Assistance Act of 1993 (Act 135) (S.C. Code Ann. 59-139-10 et seq. (Supp. 2004)), the Education Accountability Act of 1998 (EAA) (S.C. Code Ann. 59-18-1300 et seq. (Supp. 2004)), and SBE Regulation 43-261. The signatures of the chairperson of the board of trustees, the superintendent, the principal, and the district strategic planning contact, the district Read to Succeed Leadership Team Lead, and the district Gifted and Talented coordinator are affirmation of active participation of key stakeholders and alignment with Act 135 and EAA requirements.

## Assurances for the District Strategic Plans

The assurance pages following this page have been completed and the district superintendent signature below attests that the school/district complies with all applicable assurances requirements including ACT 135 (S.C. Code Ann. 59-139-10 et seq. (Supp. 2004)); EAA (S.C. Code Ann. 59-18-1300 et seq. (Supp. 2004)); District and School Planning (SBE Regulation 43-261); Student Health and Fitness Act (S.C. Code Ann. 59-10-330); Read to Succeed (S.C. Code Ann. 59-155-180 et seq.); Gifted and Talented (SBE Regulation 43-220); and Proficiency-Based System Plans (SBE Regulation 43-234); and General Grant including Terms and Conditions for SCDE Grant Programs as seen on the following assurance pages.
Required Printed Names and Signatures

## Assurances for District Strategic Plan

Assurances checked below, along with the signature page signed by the superintendent, attest that the district complies with all applicable regulatory and statutory requirements listed.

## Early Childhood Development and Academic Assistance Act (Act 135) Assurances

(S.C. Code Ann §59-139-10 et seq. (Supp. 2004))

| Yes | Academic Assistance, PreK-3 <br> The district makes special efforts to assist children in PreK-3 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation). |
| :---: | :---: |
| Yes | Academic Assistance, Grades 4-12 <br> The district makes special efforts to assist children in grades 4-12 who demonstrate a need for extra or alternative instructional attention (e.g., after-school homework help centers, individual tutoring, and group remediation). |
| Yes | Parent Involvement <br> The district encourages and assists parents in becoming more involved in their children's education. Some examples of parental involvement initiatives include making special efforts to meet with parents at times more convenient for them; providing parents with their child's individual test results and an interpretation of the results; providing parents with information on the district's curriculum and assessment program; providing frequent, two way communication between home and school; providing parents an opportunity to participate on decision making groups; designating space in schools for parents to access educational resource materials; including parent involvement expectations as part of the principal's and superintendent's evaluations; and providing parents with information pertaining to expectations held for them by the school system, such as ensuring attendance and punctuality of their children. |
| Yes | Staff Development <br> The district provides staff development training for teachers and administrators in the teaching techniques and strategies needed to implement the district plan for the improvement of student academic performance. The staff development program reflects requirements of Act 135 , the EAA, and the National Staff Development Council's revised Standards for Staff Development. |
| Yes | Technology <br> The district integrates technology into professional development, curriculum development, and classroom instruction to improve teaching and learning. The district will provide a copy of their updated technology plan to the S.C. Department of Education on an annual basis. |
| Yes | Innovation <br> The district uses innovation funds for innovative activities to improve student learning and accelerate the performance of all students. |
| Yes | Collaboration <br> The district (regardless of the grades served) collaborates with health and human services agencies (e.g., county health departments, social services departments, mental health departments, First Steps, and the family court system). |
| Yes | Developmental Screening <br> The district ensures that the young child receives all services necessary for growth and development. Instruments are used to assess physical, social, emotional, linguistic, and cognitive developmental levels. This program normally is appropriate at primary and elementary schools, although screening efforts could take place at any location. |
| Yes | Half-Day Child Development <br> The district provides half-day child development programs for four-year-olds (some districts fund full-day programs). The programs usually function at primary and elementary schools, although they may be housed at locations with other grade levels or completely separate from schools. |
| Yes | Developmentally Appropriate Curriculum for PreK-3 <br> The district ensures that the scope and sequence of the curriculum for PreK-3 are appropriate for the maturation levels of students. Instructional practices accommodate individual differences in maturation levels and take into account the student's social and cultural context. |
| Yes | Parenting and Family Literacy <br> The district provides a four component program that integrates all of the following activities: interactive literacy activities between parents and their children (Interactive Literacy Activities); training for parents regarding how to be the primary teachers for their children and how to be full partners in the education of their children (parenting skills for adults, parent education); parent literacy training that leads to economic self-sufficiency (adult education); and an age-appropriate education to prepare children for success in school and life experiences (early childhood education). Family Literacy is not grade specific, but is generally most appropriate for parents of children at the primary and elementary school levels and below as well as for secondary school students who are parents. Family Literacy program goals are to strengthen parental involvement in the learning process of preschool children ages birth through five years; to promote school readiness of preschool children; to offer parents special opportunities to improve their literacy skills and education; to provide parents a chance to recover from dropping out of school; and to identify potential developmental delays in preschool children by offering developmental screening. |
| Yes | Recruitment <br> The district makes special and intensive efforts to recruit and give priority to serving those parents or guardians of children, ages birth through five years, who are considered at-risk of school failure. "At-risk" children are defined as those whose school readiness is jeopardized by any of, but not limited to, the following personal or family situation(s): educational level of parent below high school graduation, poverty, limited English proficiency, significant developmental delays, instability or inadequate basic capacity within the home and/or family, poor health (physical, mental, emotional), and/or child abuse and neglect. |
| Yes | Coordination of Act 135 Initiatives with Other Federal, State, and District Programs <br> The district ensures as much program effectiveness as possible by developing a district wide/school wide coordinated effort among all programs and funding. Act 135 initiatives are coordinated with programs such as Head Start, First Steps, Title I, and programs for students with disabilities. |

Students Health and Fitness Act Assurance
(S.C. Code Ann. § 59-10-330)

| Yes | Each school district shall establish and maintain a Coordinated School Health Advisory Council (CSHAC) to include members of the community, school representatives, students, parents, district food service employees, and school board members. The CSHAC will assess, plan, implement, and monitor district and school health policies and programs including the district wellness policy initiated in the 2006-07 school year. Each district, in collaboration with the CSHAC, shall develop, within the district's wellness policy, a school health improvement plan, in compliance with Section 59-10-310, that addresses strategies for improving student nutrition, health, and physical activity. The goals for the school health improvement plan, and progress toward those goals, must be included in the district's strategic plan required pursuant to Section 59-20-60. |
| :---: | :---: |
| Education and Economic Development Act Assurances for Districts (S.C. Code Ann. § 59-59-10 et seq.) <br> The superintendent certifies that: |  |
| Yes | Each elementary, middle, and high school in the district has implemented the Comprehensive Developmental Guidance and Counseling Program Model. |
| Yes | All elementary, middle, and high schools in the district have integrated career awareness, exploration, and/or preparation activities into their curricula. |
| Yes | Each middle and high school in the district has a student-to-guidance personnel ratio of $300: 1$ or less. (Flexibility Provisos 1.26 and 1 A. 14 suspends professional staffing ratios for 2017-18 in eligible districts.) |
| Yes | Each middle and high school in the district employs certified career development facilitators who perform the 13 duties specified in the EEDA legislation. |
| Yes | All students in grades eight through twelve have developed an individual graduation plan (IGP) that is reviewed by students and their parents/parental designees during annual IGP conferences facilitated by certified guidance counselors. |
| Yes | All eighth grade students in the district have chosen a career cluster. (Students may change their cluster choice if they desire to do so). |
| Yes | All tenth grade students in the district have chosen a career major. (Students may change their major if they desire to do so). |
| Yes | All high schools in the district offer enough courses for all students to complete their chosen majors. (NOTE: To complete a major, students must take four courses for elective credit that are associated with that major). |
| Yes | Each high school in the district is organized around a minimum of three of the 16 national career clusters. |
| Yes | Each high school in the district has implemented an evidence-based program model designed to ensure that students identified as being at-risk of dropping out actually graduate from high school with a state diploma. |
| Yes | Each high school in the district has implemented High Schools That Work or another state-approved comprehensive reform model. |
| Yes | Each high school in the district offers all students at least one opportunity to participate in an extended or work-based learning activity prior to graduation. |
| Yes | Each high school in the district offers students opportunities to enroll in courses for which they may receive both high school and college credit. |
| Read To Succeed Assurances (Act 284) (S.C. Code Ann. § 59-155-180 et seq.) |  |
| Yes | District Reading Plan <br> The district has a district reading plan which addresses the components of leadership, student outcomes, professional learning opportunities, instructional and assessment plans, parent and family involvement, and school-community partnerships. |
| Yes | 4K and 5K Readiness Assessment <br> The district ensures that a state identified readiness assessment for 4 K and 5 K is administered to all students prior to the 45 th day of school. |
| Yes | Third Grade Retention <br> The district provides support to ensure all students who are not reading on grade level by the end of third grade are provided with an instructional program based upon students' needs as determined by local and state formative and summative assessment data and provides intervening services, including summer reading camps, to reduce the number of students needing retention at the beginning of the 2017-18 school year. |
| Yes | Reading Coaches <br> The district supports school based reading coaches in every elementary school. |
| Yes | Interventions <br> The district provides interventions based on data for all students identified. |
| Yes | Summer Reading Camps <br> The district offers summer reading camps for those students identified. |
| Gifted and Talented Assurances <br> (SBE Regulation 43-220) <br> Students Served <br> The district serves: |  |
| Yes | Academically gifted and talented students in elementary school (grades 3-5). |
| Yes | Academically gifted and talented students in middle school (grades 6-8). |
| Yes | Academically gifted and talented students in high school (grades 9-12). |
| No | Artistically gifted and talented students in elementary school (grades 3-5). |
| Yes | Artistically gifted and talented students in middle school (grades 6-8). |
| Yes | Artistically gifted and talented students in high school (grades 9-12). |
| No | Academically gifted and talented students in grades 1 and 2 (optional). |

## Academically and Artistically Gifted and Talented Plan

The district plan provides a comprehensive, aligned, and coordinated continuum of services that address the advanced learning needs of academically and artistically gifted and talented students. The following components must be included in the planning:

| Yes | Differentiated curriculum, instruction, and assessments that maximize the potential of the identified students; |
| :--- | :--- |
| Yes | Support services that facilitate student learning and personalized education; |
| Yes | Programming models that facilitate the delivery of differentiation in curriculum and instruction; |
| Yes | Classroom ratios that foster positive results; |
| Yes | Appropriate and sufficient time in instruction to assure that the goals and objectives of the programming are met; and |
| Yes | Systematic assessment of student progress and programming effectiveness relative to goals. |

## Curriculum, Instruction, and Assessment

Curriculum, instruction, and assessment that maximize the potential of the identified students and educational programming for academically gifted and talented students include these characteristics:

| Yes | Content, process, and product standards that exceed the state-adopted standards for all students and that provide challenges at appropriate <br> levels for strengths of individual students; |
| :--- | :--- |
| Yes | Goals and indicators that require students to demonstrate depth and complexity of knowledge, creative and critical thinking, and <br> problem-solving skills; |
| Instructional strategies that promote inquiry and accommodate the unique needs of gifted and talented learners; |  |
| Yes | Confluent approach that incorporates acceleration and enrichment; |
| Yes | Opportunities for the critical consumption, use, and creation of information using available technologies; and |
| Yes | Evaluation of student performance and programming effectiveness. |
| Programming Models and Time <br> The district: | Abides by the approved programming models (special class, special school, or resource room/pullout) for academic Gifted and Talented <br> services, |
| Yes | Abides by the approved programming models (in-school, after-school, Saturday programming, summer programming, or approved hybrid) for <br> artistic Gifted and Talented services, and |
| Yes | Meets or surpasses the minimum programming minutes for the approved model of services. <br> Yes <br> Innovative Model (SCDE approved) <br> Any innovative model, outside of those listed above, has the required annual approval from the South Carolina Department of Education. |

## Staffing Requirements

The district must:

| Yes | Employ teachers who hold a valid teaching certificate in the appropriate grade level(s) or subject area(s) included in the programming. |
| :--- | :--- | :--- |
| Yes | Employ Gifted and Talented endorsed teachers or Gifted and Talented certified teachers. (A one year grace period is permitted in order to <br> obtain endorsement for certified teachers teaching a Gifted and Talented course for the first time. The Gifted and Talented endorsement is <br> encouraged for Gifted and Talented artistic teachers.) |
| Yes | Provide planning times for Gifted and Talented teachers. The standard is 250 minutes a week or the appropriate grade-level equivalent. |
| Yes | Provide all teachers working with gifted and talented students annual professional development on differentiated curriculum, instructional <br> strategies, social-emotional support, assessments, or other Gifted and Talented student-focused topics. |
| Yes | Provide training/guidance regarding the characteristics of academic giftedness for teachers and other district staff involved in the identification <br> process. |
| Yes | Utilize an evaluation placement team to evaluate the Gifted and Talented identification process and to interpret and to evaluate student data in <br> such a way as to insure appropriate student placement. |
| Communication and Reporting Requirements |  |
| Yes | The district provides all parents/guardians with effective, written notice of the gifted and talented education programming, screening/referral <br> procedures, and eligibility requirements. |
| Yes | If the district utilizes trial placement, local identification, and/or Gifted and Talented removal policies, those are readily accessible. |
| Yes | The district annually submits Form A Reports signed PDF. |
| Yes | The district annually submits Form A Reports Excel file. |
| Yes | The district annually submits Strategic Plan updates on its progress towards meeting the Gifted and Talented Goals. |
| Provide comments on why any of the Gifted and Talented assurances above are not met: |  |

## District Proficiency-Based System

(SBE Regulation 43-234)

| Yes | The superintendent has approved the district's Proficiency-Based System that is aligned to the local school board policy. <br> - The Proficiency-Based System plan has been evaluated annually by the SCDE and the results have been reported back to the district. |
| :--- | :--- |

| Yes | The district's Proficiency-Based System Plan: <br> - Explains how the needs assessment substantiates the district's Proficiency-Based System; <br> - Describes the subject area course procedures for the high school proficiency-based credits the district will implement; <br> - Proffers a complete syllabus for each course, or the URL(s) where a syllabus may be found and the method in which the course will be taught; <br> - Provides documentation that demonstrates each course and all proficiency assessments for direct instruction are aligned to the State adopted subject area academic standards for the current year; <br> - Contains a list of the prerequisite courses used for selecting students for each proficiency-based course where prerequisites are required; and <br> - Offers an explanation of how the proficiency-based assessments will be standardized across the district if the courses are offered in multiple schools. |
| :---: | :---: |
| Yes | The district has communicated NCAA eligibility requirements and higher education guidelines regarding proficiency-based courses with parents and students. |
| Yes | Proficiency-based courses meet all relevant state statutes and regulations unless the State Board of Education (SBE) approved the district's waiver request. <br> - Teachers of all proficiency courses hold valid South Carolina certifications and are appropriately certified for the proficiency subjects in which they teach. |
| Assurances and Terms and Conditions for State Awards <br> As the district superintendent of Lexington 1, I certify that this applicant: |  |
| Yes | Has the legal authority to apply for state assistance and the institutional, managerial, and financial capability (including funds sufficient to pay the nonstate share of project costs) to ensure proper planning, management, and completion of the project described in this application. |
| Yes | Will give the South Carolina Department of Education (SCDE) access to and the right to examine all records, books, papers, or documents related to this award and will establish a proper accounting system in accordance with generally accepted accounting principles (GAAP) or agency directives. |
| Yes | Has an accounting system that includes sufficient internal controls, a clear audit trail, and written cost-allocation procedures as necessary. The financial management systems are capable of distinguishing expenditures that are attributable to this grant from those that are not attributable to this grant. This system is able to identify costs by programmatic year and by budget line item and to differentiate among direct, indirect, and administrative costs. In addition, the applicant will maintain adequate supporting documents for the expenditures and in-kind contributions, regardless of the type of funds, if any, that it makes under this grant. Costs are shown in books or records (e.g., disbursements ledger, journal, payroll register) and are supported by a source document such as a receipt, travel voucher, invoice, bill, or in-kind voucher. |
| Yes | Will also comply with GAAP as it relates to budgets, budget amendments, and expenditure claim submissions. |
| Yes | Will approve all expenditures, document receipt of goods and services, and record payments on the applicant's accounting records prior to submission of reimbursement claims to the SCDE for costs related to this grant. |
| Yes | Will initiate and complete work within the applicable time frame after receipt of approval by the SCDE. |
| Yes | Will not discriminate against any employee or applicant for employment because of race, color, religion, age, sex, national origin, or disability. The applicant will take affirmative action to ensure that applicants for employment and the employees during the period of their employment are treated without regard to their race, color, religion, age, sex, national origin, or disability. |
| Yes | Will comply with the Ethics, Government Accountability, and Campaign Reform Act (S.C. Code Ann. § 2-17-10 et seq. and § 8-13-100 et seq. (Supp. 2016)). |
| Yes | Will comply with the Drug Free Workplace Act (S.C. Code Ann. § 44-107-10 et seq. (Supp. 2016)) if the amount of this award is $\$ 50,000$ or more. |
| Terms and Conditions |  |
| Yes | Completeness of Proposal <br> All proposals should be complete and carefully worded and must contain all of the information requested by the South Carolina Department of Education (SCDE). If you do not believe a section applies to your proposal, please indicate that fact. |
| Yes | Non-awards/Termination <br> The SCDE reserves the right to reject any and all applications and to refuse to grant monies under this solicitation. If the SCDE rejects an application, the applicant has a right to request a review of the process consistent with the appeals process presented in the Request for Proposals (RFP). <br> After a grant has been awarded, the SCDE may terminate a grant by giving the grantee written notice of termination. In the event of a termination after award, the SCDE shall reimburse the grantee for expenses incurred up to the notification of termination. In addition, this grant may be terminated by the SCDE if the grantee fails to perform as promised in its proposal. <br> Upon the termination of a grant, the grantee shall have the right to a review process. The grantee must notify the SCDE of its request within 30 days of receiving written notice of the termination. |
| Yes | Reduction in Budgets and Negotiations <br> The SCDE reserves the right to negotiate budgets with potential grantees. The SCDE may, at its sole discretion, determine that a proposed budget is excessive and may negotiate a lower budget with the applicant. The applicant may, at that time, negotiate or withdraw its proposal. In addition, the SCDE may desire to fund a project, but not at the level proposed. In that case, the SCDE shall notify the applicant of the amount that can be funded, and the applicant and the SCDE shall negotiate a modification to the proposal to accommodate the lower budget. All final decisions are that of the SCDE. |
| Yes | Amendments to Grants <br> Amendments are permitted upon the mutual agreement of the parties and will become effective when specified in writing and signed by both parties. |
| Yes | Use of Grant Funds <br> Funds awarded are to be expended only for purposes and activities covered by the approved project plan, budget, and budget narrative. |
| Yes | Submission of Expenditure Reports <br> Claims for reimbursement must be made at least quarterly and must be consistent with calendar quarters (e.g., an expenditure report claim for costs for January 1 through March 30 must be filed by May 15). |

| Yes | Obligation of Grant Funds <br> Grant funds may not be obligated prior to the effective date or subsequent to the end or termination date of the grant period. No obligations are allowed after the end of the grant period. The final request for expenditure report claims must be submitted no later than thirty (30) days after the end of the grant period. |
| :---: | :---: |
| Yes | Deobligation of Funds <br> After a final expenditure claim has been submitted to the SCDE, the grantee will go through the official deobligation process with the SCDE. |
| Yes | Documentation <br> The grantee must provide for accurate and timely recording of receipts and expenditures. The grantee's accounting system should distinguish receipts and expenditures attributable to each grant. The grantee must review the memo regarding "Guidelines for Retaining Documentation to Support Expenditure Claims," available at http://ed.sc.gov/finance/auditing/manuals-handbooks-and-guidelines/guidelines-for-retaining-documentation-to-support-expenditures/. |
| Yes | Travel Costs <br> Travel costs, if allowed under this solicitation, must not exceed limits noted in the United States General Services Administration (www.gsa.gov) regulations for lodging. Meals and incidentals are limited by the state budget proviso, currently not to exceed $\$ 25$ per day for in-state travel and $\$ 32$ for out-of-state travel (see page 91 of the document at http://www.cg.sc.gov/guidanceandformsforstateagencies/Documents/CGsAPP/9-30-2015/DisbursementReg-9-30-15edit.pdf). Mileage reimbursement must follow the current Office of Comptroller General instructions, which is consistent with the published IRS rates. |
| Yes | Honoraria <br> Amounts paid in honoraria, if allowed under this grant, must be consistent with SCDE policies. Applicants should check with the program office before budgeting for honoraria. |
| Yes | Reports <br> The grantee shall submit, as required or instructed by the awarding program office, all reports (programmatic, financial, or evaluation) within the specified period or date and in the prescribed format. An expenditure claim report must be filed by August 15 for all expenditures incurred by June 30 in order to comply with the generally accepted accounting principles (GAAP) and the production of the State's Comprehensive Annual Financial Report. |
| Yes | Copyright <br> The grantee is free to copyright any books, publications, or other copyrightable materials developed in the course of this grant. However, the SCDE reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, or otherwise use, and to authorize others to use, the copyrighted work developed under this grant. |
| Yes | Certification Regarding Suspension and Debarment <br> By submitting an application, the applicant certifies, to the best of its knowledge and belief, that the <br> - Applicant and/or any of its principals, subgrantees, or subcontractors <br> - are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any state or federal agency; have not, within a three-year period preceding this application, been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) contract or subcontract; violation of federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, or receiving stolen property; and <br> - are not presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated above. <br> - Applicant has not, within a three-year period preceding this application, had one or more contracts terminated for default by any public (federal, state, or local) entity. |
| Yes | Audits <br> Although this Assurances, Terms, and Conditions document is for a state award, federal audit requirements apply as follows: <br> - Entities expending $\$ 750,000$ or more in federal awards: Entities that expend $\$ 750,000$ or more in federal awards during the fiscal year are required to have an audit performed in accordance with the provisions of 2 CFR Part 200.501, et seq. Except for the provisions for biennial audits provided in 2 CFR Part 200.504 (a) and (b), audits must be performed annually as stated at 2 CFR Part 200.504. A grantee that passes through funds to subrecipients has the responsibility of ensuring that federal awards are used for authorized purposes in compliance with federal program laws, federal and state regulations, and grant agreements. The director of the OMB, who will review this amount every two years, has the option of revising the threshold upward. <br> - Entities expending less than $\$ 750,000$ in federal awards: Entities that expend less than $\$ 750,000$ in a fiscal year in federal awards are exempt from the audit requirements in 2 CFR Part 200.504. However, such entities are not exempt from other federal requirements (including those to maintain records) concerning federal awards provided to the entity. The entity's records must be available for review or audit by the SCDE and appropriate officials of federal agencies, pass-through entities, and the General Accounting Office (GAO). |
| Yes | Records <br> The grantee shall retain grant records, including financial records and supporting documentation, for a minimum of six (6) years after the end date of the grant when the final expenditure report claim for reimbursement and all final reports have been submitted, unless informed otherwise or in case of litigation. |

## Stakeholder Involvement for District Strategic Plan

List the name of persons who were involved in the development of the District Strategic Plan. A participant for each numbered position is required.

|  | Position | Name |
| :--- | :--- | :--- |
| 1. | Superintendent | Dr. Gerrita Postlewait |
| 2. | Principal | Heath Branham |
| 3. | Teacher | Alecia Clamp |
| 4. | Parent/Guardian | Fran Halloran |
| 5. | Community Member | Otis Rawl |
| 6. | Private School Representative | Margaret Anne Gaffney |
| 7. | District Level Administrator | Nicole Mitchell |
| 8. | District Level Administrator | Dr. Luke Clamp |
| 9. | Paraprofessional | Melanie Phillips |
| 10. | District Read To Succeed Literacy Leadership Team Lead | Dr. Candace Lett |
| 11. | District Read To Succeed Literacy Leadership Team Member | Jessica Buzhardt |
| 12. | School Improvement Council Member | Meredith Price |
| 13. | District Gifted and Talented Coordinator | Erin Fitzgerald |
| 14. | District Federal Programs Coordinator | Jessica Buzhardt |
|  | OTHERS (May include school board members, district or school administrators, students, PTO members, agency <br> representatives, university partners, Head Start representatives, First Step representatives, etc.) <br> ** Must include the District Literacy Leadership Team for Read to Succeed | Gloria Jenkinson |
|  | Principal | Mary Gaskins |
|  | District Level Administrator | Dr. Kris Gillaspy |
|  | District Read To Succeed Literacy Leadership Team Member | Sarah Bley |
|  | District Read To Succeed Literacy Leadership Team Member | Maria Jiminez |
|  | District Read To Succeed Literacy Leadership Team Member | Elizabeth King |
|  | District Read To Succeed Literacy Leadership Team Member | Dr. Holly Sullivan |
|  | District Read To Succeed Literacy Leadership Team Member | Dr. Shane Phillips |
|  | District Read To Succeed Literacy Leadership Team Member | Hilary Morgan |
|  | District Read To Succeed Literacy Leadership Team Member | Richelle Battles |
|  | District Read To Succeed Literacy Leadership Team Member |  |
|  |  |  |

## District Requested Strategic Plan Waiver

The State Board of Education has the authority to waive regulations pursuant to (SBE Regulation 43-261) (C) District and School Planning which states the following:

> Upon request of a district board of trustees or its designee, the State Board of Education may waive any regulation that would impede the implementation of an approved district strategic plan or school renewal plan.

All waivers must be requested in writing, signed by the local superintendent, and approved by the local school board prior to being sent to State Accountability. Use the following link to obtain more information on the waiver process:
http://ed.sc.gov/districts-schools/state-accountability/waiver-requests/

| District Wavier <br> Requested and Approved | Explain how the SBE Regulation would impede the implementation of an approved district strategic or <br> school renewal plan. |
| :--- | :--- |
| 1. Extension for initial <br> District Strategic and <br> School Renewal Plans <br> (SBE Regulation 43-261) |  |
| 2. Teachers teaching more <br> than 1500 minutes <br> (SBE Regulation 43-205) |  |
| 3. Teachers teaching more <br> than 4 preps <br> (SBE Regulation 43-205) |  |
| 4. High School Principal <br> over two schools or grades <br> more than 9-12 <br> (SBE Regulation 43-205) | 4Ber |
| 5. Other <br> (Include the SBE <br> Regulation number to be <br> waived) | Lexington County School District One received a waiver for SBE Regulation 43-232 from the S.C. Department of <br> Education to allow grade six dual language immersion students to earn high school credit when they demonstrate <br> appropriate proficiency at the end of their language course. This waiver allows dual immersion students, who have <br> been on an accelerated pathway for language acquisition in elementary school, to progress on time with the <br> requisite skills for the next level of their language proficiency. |
| Lexington County School District One received a waiver for SBE Regulations 43-231 (II), 43-232 (I), 43-234 |  |
| 6. Other <br> (Include the SBE <br> Regulation number to be <br> waived) | (VI)(C)(1), 43-234 (II)(b), and 43-234 (VI)(C)(I) from the S.C. Department of Education to allow our students <br> enrolled in Lexington District One Online Learning Academy or those taking part in the Graduation Alliance <br> Partnership to have a flexible way to earn credits so they are not bound by seat time for grade-level promotion. This <br> waiver affords our students throughout the system multiple pathways to accelerate learning or recover credits so <br> they might progress on time with the requisite skills for success necessary for success in a career, the military, or <br> school beyond the K-12 system. |

## Lexington District One

 VisionEmpower each child to design the future.

Our mission is to cultivate a caring community where ALL learners are extraordinary communicators, collaborators, creators and critical thinkers.

## System Commitments

The idea of 'system commitments' rather than strategic goals indicates that these are promises we make to ourselves, our students and our community, rather than numerical goals to check off. Annual performance goals will be driven by our commitments.

## Our System Commitments

1. All students, regardless of circumstances, advance on time, prepared to graduate and ready to enter college, the military or industry with certification.
2. Teaching and learning develop power skills in all students.
3. Our schools are service-oriented centers of learning, committed to family and community partnerships.

4. Every adult will be equipped with the skills and resources necessary to advocate for and ensure the success of all students.

Question

## CURRENT WORKING CONDITIONS

I have sufficient space in my classroom to meet the educational needs of my students.

I have access to reliable communication technology, including phone, fax, and e-mail.

I feel supported by administrators at my school.

The faculty and staff at my school have a shared vision.

I am familiar with local, state, and national policies and how they affect teaching and learning.

Local, state, or national policies assist me in meeting the educational needs of my students.

The school leadership makes a sustained effort to address teacher concerns.

My decisions in areas such as instruction and student progress are supported.
My non-instructional duties do not interfere with my essential role of educating students.
I feel supported by administrators at my school.
The school leadership makes a sustained effort to
address teacher concerns.

## Executive Summary of Needs Assessment Data Findings

Per SBE Regulation 43-261, the annual needs assessment will provide focus for planning teams to set priorities for the plan. The comprehensive needs assessment must identify targeted areas of discrepancy between the desired performance levels and the current status as indicated by available data. Any discrepancies in the following areas identified by the school and district report cards must be included in the plan: (1) achievement, (2) achievement by subgroups, (3) graduation rates, (4) attendance, (5) discipline, (6) teacher/administrator quality and professional growth, and (7) other priority areas.

Measurable performance goals, written in five-year increments, shall be developed to address the major areas of discrepancy found in the needs assessment in key areas reported in the district and school report cards.

State Report Card for districts and schools data:
https://screportcards.com/overview/?q=eT0yMDIyJnQ9RCZzaWQ9MzIwMTAwMA
Directions: In the appropriate boxes, use district and school data to identify areas in need of improvement. Required areas to be addressed: Student Achievement, Teacher/Administrator Quality, School Climate, and Gifted and Talented.

| Student Achievement |  |
| :---: | :--- |
| 1. | Lexington District One continues to make progress in academic recovery following the pandemic. At the <br> elementary level, the latest text level measures for grades 1-3 range from 67\% meeting or exceeding grade level <br> standard (Grade 1) to 76\% meeting or exceeding grade level standard (Grade 3). On the ELA portion of SC <br> READY, about 29\% of students moved up at least one achievement level and 20\% of students who scored <br> "Exceeds" in 20-21 maintained that level. In math, 25\% of students increased their achievement level, but only |
| 16\% of "Exceeds" students maintained that level. At the elementary level, growth for students at higher levels of <br> achievement in both ELA and math is an area of challenge. Achievement continues to decline as students <br> increase in grades, which suggests a need for continued intervention with students who are struggling. |  |
| At the middle level, in ELA about 22\% of students increased their achievement level while only 14 percent of <br> "Exceeds" students maintained that level. These math results showed that only 18\% of students improved their <br> achievement level and only 11\% of students exceeding the standard in 20-21 maintained that level. Middle <br> school mathematics continues to be an area of challenge for the district. |  |
| Consequently, and in accordance with our academic recovery plan, the focus for the year has been on growth at <br> both the elementary and middle levels, but with increased emphasis on the middle grades. The district <br> transitioned to the i-Ready interim assessment system in grades K-8 and is currently utilizing the growth and <br> achievement data from that system to make instructional changes at the classroom and student levels. |  |
| Subgroup achievement at all levels still indicates relatively lower achievement by Black students and students in <br> poverty in both ELA and Mathematics. |  |
| 2. | As with Elementary and Middle Schools, our High Schools were significantly impacted by the pandemic. Our <br> on-time graduation rate decreased again slightly to about $88.2 \%$. Graduates attending 2- or 4-year colleges, <br> military, or obtaining industry certification increased by about 4 points from the previous year. The percentage of <br> students meeting English/Critical Reading and Math College and Career Ready Benchmarks on SAT or ACT OR <br> scoring "Silver" or higher on the career readiness assessment decreased substantially from the previous year. <br> Also, the percentage of students on track to graduate in four years is slightly down. Therefore, areas of focus for |

|  | the district are college and career readiness and providing opportunities for students to recover credits in order to be on track to graduate on time. Scores from the previous year and our most recent Fall EOCEP scores indicate that English achievement is a strength, but focus needs to be on Algebra and Biology. However, it bears noting that 2021-22 pass rates on Algebra, Biology and U.S. History end-of-course exams all increased over the 2020-21 school year. Rigorous course enrollment is down slightly ( $-0.5 \%$ ) but the pass rate on AP exams appears to be rebounding and is up over 4 percentage points. Further enhancement of our rigorous coursework offerings continues to be a goal. |
| :---: | :---: |
| Teacher/Administrator Quality |  |
| 3. | Responses to the climate survey questions of "Sufficient resources are available to allow teachers to take advantage of professional development activities" and "Teachers at my school are encouraged to develop innovative solutions to problems" both indicated decreased satisfaction in those areas, and neither reached our established interim goals. The item of "I am satisfied with home/school relations at my school" showed a substantial increase in satisfaction. Report card data from the 2022 report card also shows some indicators of a teacher retention issue. The 3 -year district average of teachers returning from the previous year is down almost a full percentage point with the one-year change being a decrease of almost 3 points. The increase of 51 total teachers, then suggests a growing population of new or new-to-district teachers. |
| School Climate |  |
| 4. | The 2021-2022 climate survey showed improving satisfaction for students and parents in the areas of Learning Environment, Social and Physical Environment, and Home-School Relations. Teachers showed increased satisfaction in both the Learning Environment and the Social/Physical Environment. The district continues to strive to improve parent and community engagement in the education process. |
| Gifted and Talented |  |
| 5. | Representation of minority students enrolled in rigorous coursework decreased slightly at the elementary and high school levels. However, that representation increased in the middle grades. At high schools, rigorous course enrollment is down slightly, as did the representation of minority students in those high school rigorous courses. AP and IB pass rates increased by 4.5 points but did not reach interim benchmarks. SC READY scores indicate that at the elementary levels, the percentage of students scoring Exceeds on SC READY was up substantially in both ELA and Math, and ELA scores exceeded the interim benchmark by more than 3 points. In the middle grades, that increase percentage is only slightly higher than the previous year in both ELA and math. |

## System Commitments

The idea of 'system commitments' rather than strategic goals indicates that these are promises we make to ourselves, our students and our community, rather than numerical goals to check off. Annual performance goals will be driven by our commitments.

1. All students, regardless of circumstances, advance on time, prepared to graduate and ready to enter college, the military or industry with certification.
2. Teaching and learning develop power skills in all students.
3. Our schools are service-oriented centers of learning, committed to family and community partnerships.
4. Every adult will be equipped with the skills and resources necessary to advocate for and ensure the success of all students.

## Strategic Areas of Emphasis

## South Carolina State Department of Education Required Goal Categories

- Student Achievement
- Teacher and Administrator Quality
- School Climate
- Gifted and Talented

## Performance Goals

1. The district will increase the percentage of students who are progressing on-time with the requisite skills for success at their current grade levels.
2. The district will implement strategies to improve equity in high level coursework.
3. The district will implement strategies to improve performance in high level coursework.
4. The district will improve the conditions that lead to student success in each school by utilizing a system of advocacy for each child that facilitates healthy social and emotional growth.
5. The district will increase opportunities for district personnel to participate in collaborative professional learning opportunities that impact student achievement.
6. The district will implement strategies to improve customer service, parent engagement, and community involvement.

Performance Goal 1 : The district will increase the percentage of students who are progressing on-time with the requisite skills for success at their current grade levels.

## System Commitment(s): 1

# State Criteria for Identifying Academically Gifted and Talented Students 

## Mission

The mission of gifted education is to maximize the potential of gifted and talented students by providing programs and services that match the unique characteristics and needs of these students. Programs that serve identified students seek to develop talent, provide depth of study, set an appropriate pace for instruction, integrate complexity into the curriculum, and show students how to deal with issues of significance.

## Identification Process

Gifted and talented students are found within all racial, ethnic, and socioeconomic groups. Identification is a multi-step process. The state of South Carolina has established three dimensions as criteria for placement in the academically gifted program. Students must meet the eligibility criteria in at least two of the three dimensions.

| Screening/Referral/Assessment Profile SC State-funded Academic Gifted and Talented Program | Criteria | Qualifying Test(s) <br> Administered in Lexington One |
| :---: | :---: | :---: |
| Dimension A: Reasoning Ability | 93rd age percentile or higher nationally normed aptitude test | CogAT (Fall) <br> All $2^{\text {nd }}$ graders $3^{\text {rd }}-5^{\text {th }}$ as needed OLSAT as needed |
| Dimension B: High Achievement in Reading and/or/ Mathematical Areas | 94th percentile or higher nationally normed achievement tests ** <br> Cut score within advanced level in Reading or Math on SC Ready | Iowa Test of Basic Skills (ITBS) assessment (Fall) <br> iReady (Fall and Spring) <br> SC READY (Spring) |
| Dimension C: Intellectual/Academic Performance <br> Eligibility: <br> Must first meet Dimension A or B | $80 \%$ or higher - 2nd grade <br> $90 \%$ or higher - 3rd grade <br> $80 \%$ or higher - 4th grade <br> $90 \%$ or higher - 5th grade | Primary PTA <br> Performance Task Assessment (February) <br> Intermediate PTA Performance Task Assessment (February) |

## Special Note

Students are eligible for placement on the basis of aptitude scores alone if they score at or above the 96th national age percentile on the composite score of a nationally normed aptitude test.

## State Identification Program

The SC State-funded Academically Gifted and Talented Program requires the testing and screening of all 2 nd grade students to identify those who qualify for placement in the gifted program beginning in 3rd grade. (Note: No private testing will be accepted for eligibility; however, those results may be considered for referral purposes.)

## District Assessment Program

The Lexington One Assessment Program provides additional test results in grades 3rd-5th that are added to a student's profile for additional eligibility screening. These tests include:

- CogAT- Cognitive Abilities Test
- Iowa - Iowa Assessment
- iReady - Standards Based Achievement Test
- SC READY - Standards Based/College \& Career Readiness Achievement Test
- PTA- South Carolina Performance Task Assessment

All students participate in one or more of these screening assessments annually.

## Notification

Parents of students are notified by letter when:

- Qualifications are met and student will enter the program.
- One dimension is met and student will be involved in additional screening

For specific information regarding the program in Lexington School District One, please contact:

Erin FitzGerald<br>Coordinator, Academically and Artistically Talented Programs<br>821-1062<br>efitzgerald@lexington1.net<br>Lexington, SC 29071<br>100 Tarrar Springs Road - P.O. Box 1869

January 30, 2023

Dear Parent/Guardian,

We have completed a review of test scores to establish eligibility for placement in the Lexington School District One Academically Gifted and Talented Program - EAGLE. Students are eligible by meeting the criteria for the SC State-Funded Academic Gifted and Talented Program. Enclosed is your child's SC GT Student Profile. Please save it as evidence of meeting the SC criteria.

Guide to Profile:
Academic Status Box (below demographic information)
Lists your child's Qualifying Test Data used to establish Eligibility

| Dimension A | Dimension B | Dimension C |
| :--- | :--- | :--- |
| Reports your child's scores |  |  |
| on CogAT - reasoning ability test | Reports scores on ITBS, iReady <br> SC Ready - achievement tests | Reports scores on Performance <br> Tasks (given in Spring) |

The criteria for GT qualification in all of the dimensions are listed below the chart. For PASS scores, the eligibility requirement for each grade and test is listed in the small chart. There is a new cut score criteria set each year.
Students must qualify in $\mathbf{2}$ of $\mathbf{3}$ dimensions.
Exception: Students qualify "aptitude alone" by scoring 96 or higher national age percentile on the composite /total reasoning ability test (Dim. A)

Congratulations to your child for meeting the criteria and being eligible to begin the EAGLE Program in 3rd grade (August 2023). You will receive orientation information from your child's school in August. If you have any questions, please contact your school's assistant principal or me at 821-1062.

Sincerely,

## Erin Darby FitzGerald

Coordinator of Academically and Artistically Talented Programs

January 2023

## Dear $2^{\text {nd }}$ Grade Parents:

Lexington One administered the Cognitive Abilities Test (CogAT) and Iowa Assessment Reading \& Math to all $2^{\text {nd }}$ grade students in October 2022. This screening is part of the state testing program for all $2^{\text {nd }}$ grade students. The Profile Narrative for your child is enclosed with this letter. The narrative will give you information on your child's performance on the two tests. The following information may assist you as you review your child's results.
What does CogAT measure?
CogAT measures learned reasoning and problem-solving skills in three different areas: verbal, quantitative, and nonverbal. Reasoning skills develop gradually throughout a person's lifetime and at different rates for different individuals. Reasoning abilities are good predictors of success in school. However, CogAT does not measure such factors as effort, attention, motivation, and work habits, which also contribute importantly to school achievement.
Why was CogAT administered?

- Teachers use CogAT scores to help students learn more effectively. For example, if a student's score profile shows an uneven pattern of relative strength and weakness, the teacher can provide challenging opportunities for the student to do the kind of thinking he/she does best (building on the student's strength). The teacher can also support aspects of new tasks that rely on a student's relative weakness. When the student has established a foothold in an area, the teacher can guide her/him to develop the relatively weaker reasoning skill by applying this skill to the familiar task (strengthening the student's weakness).
- The school district will also use the CogAT test results to help identify academically gifted students. Because CogAT is just one of many tools used to identify academically gifted students, notification regarding qualification for the gifted and talented program will be disseminated in late January or early February.
How do the three batteries of CogAT differ?
- The Verbal Battery measures flexibility, fluency, and adaptability in reasoning with verbal materials and in solving verbal problems. These reasoning abilities play an important role in reading comprehension, critical thinking, writing, and virtually all verbal learning tasks.
- The Quantitative Battery measures quantitative reasoning skills; flexibility and fluency in working with quantitative symbols and concepts; and the ability to organize, structure, and give meaning to an unordered set of numerals and mathematical symbols. These reasoning skills are significantly related to problem solving in mathematics and other disciplines.
- The Nonverbal Battery measures reasoning using geometric shapes and figures. To perform successfully, students must invent strategies for solving novel problems. They must be flexible in using these strategies and accurate in implementing them.
What is my child's relative standing on each battery and the Composite?
Because CogAT is nationally normed, an individual's test performance can be compared with the test performances of other students throughout the nation who are the same age.
For example: A student's national age percentile rank of 81 on verbal reasoning ability means that he/she scored higher than 81 percent of the students his/her age in the national norming sample.

If you have further questions, please contact the testing coordinator at your school or you may contact me at efitzgerald@lexington1.net or 803-821-1062.

Thank you,

## Would you like to audition for a seat in our Honors Visual Art Program?

This studio class will offer you an opportunity to explore a variety of art mediums. Students who participate in the class are committed to a high standard of artistic work, attendance, and must commit for all fourteen classes taking place between November and March. (See page 2 for class schedule.) Please do not request an audition if there is any possibility that you would be unable to honor this commitment.

There is no fee for After School Artistically Talented Programs.
The Honors Art Program will be offered at each Lexington County School District One middle school with members of our Visual Art staff serving as instructors.

## AUDITIONS

Auditions will be held in the art room at each of the middle schools. Students should plan to stay the entire time for this workshop audition.

Auditions will occur on October 25th for<br>BMS CSM LMS MGMS<br>PMS PHMS WKMS<br>Audition time:<br>3:45 PM to 4:45 PM

Auditions will occur on
October 31st for
GMS
Audition Time:
4:15-5:15 PM

## Audition Requirements:

- Bring two pieces of your original, completed artwork--done within the past 2 years
- No cartoon/anime/manga characters
- No drawings on notebook paper
- At the audition you will produce a still-life rendering as an additional piece.
- Write your first and last name and grade level on the back of all art work

## Interested students, register now at web address: <br> https://tinyurl.com/LexOneHonorsArtAuditions <br> Response Deadline - October 24, 2022

If you don't have web access, fill out \& return this form to your art teacher to enter your information.

## GIFTED AND TALENTED REQUIRED TABLES

DIRECTIONS: As a part of the District Strategic Plan, complete the following tables, save as one PDF file, and upload under the tab labeled Gifted and Talented Required Tables. Additionally, attach up to four documents to support the final table. All information should be saved as one PDF file and uploaded. The required tables are as follows:
A. Gifted and Talented Policies and Practices
B. Gifted and Talented Scope and Sequence
C. Gifted and Talented Grades of Academic Service
D. Gifted and Talented Grades of Artistic Service
E. Gifted and Talented Screening and Identification Notification

## GIFTED AND TALENTED POLICIES AND PRACTICES

Directions: Place an X for an affirmative response in columns marked Academic and Artistic.

|  |  | ACADEMIC | ARTISTIC |
| :---: | :---: | :---: | :---: |
| The district utilizes state identification of gifted and talented students for: | grades 1-2 |  |  |
|  | grades 3-5 | X |  |
|  | grades 6-8 | X | X |
|  | grades 9-12 | X | X |
| The district utilizes trial placement (1 year conditional placement) for: | grades 1-2 |  |  |
|  | grades 3-5 | X |  |
|  | grades 6-8 |  |  |
|  | grades 9-12 |  |  |
| The district utilizes a local identification process (local criteria rubric) for: | grades 1-2 |  |  |
|  | grades 3-5 |  |  |
|  | grades 6-8 |  |  |
|  | grades 9-12 |  |  |
| The district utilizes a formal withdrawal policy for: | grades 1-2 |  |  |
|  | grades 3-5 | X | X |
|  | grades 6-8 | X | X |
|  | grades 9-12 | X | X |

## GIFTED AND TALENTED SCOPE AND SEQUENCE

| A gifted and talented scope and sequence is utilized in the following grades for: | K | 1 | 2 | 3 | 4 | 5 |  | 6 | 7 | 8 | 9 | 10 | 11 | 12 |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| Academic |  |  |  | X | X | x |  | X | X | x | X | x | x | x |
| Artistic |  |  |  |  |  |  |  | X | X | x | X | X | X | X |
| Formal gifted and talented curriculum is utilized in the following grades for: | K | 1 | 2 | 3 | 4 |  | 5 | 6 | 7 | 8 | 9 | 10 | 11 | 12 |
| Academic Artistic |  |  |  | X | X | x | X | X | X | X | X | X | X | X |
|  |  |  |  |  |  |  |  | X | X | X | X | X | X | X |

GIFTED AND TALENTED GRADES OF ACADEMIC SERVICE

|  |  | CURRICULUM AREA |  |  |  |  |  |

## GIFTED AND TALENTED SCREENING AND IDENTIFICATION NOTIFICATION

Describe the ways in which the district notifies parents and community of its nomination and identification.
All second grade families receive a letter notifying them of the CogAT and Iowa testing dates and that these tests are used as part of our gifted and talented screening process. A follow up letter is provided to families in January explaining the scores and if their child qualified or not and what the next screening step will be. Additionally, we send numerous letters home regarding the SCDE Performance Task Assessment and for the artistic gifted and talented nominations and selection. Examples attached.

Attach up to four relevant files pertaining to notification to the parents and community on GT identification screening. These may include brochures, parent letters, non-English versions, etc.

## SOUTH CAROLINA <br> DEPARTMENT OF EDUCATION

# District Proficiency-Based System Plan Evaluation 

(For use with the District Strategic Plan Annual Updates)

# Education Regulation 43-234. Please evaluate the district's plan by answering the questions below. Upload the completed document with the District Strategic Plan into either the Member Center or GEMS. 

School District: Lexington County School District One

Name: Dr. Luke Clamp
Title/Position: Director of Secondary Schools
Email Address: 1clamp@lexington1.net
Phone Number: 803-821-1064

1. Explain how your district/schools met its goals/needs by providing proficiency-based system instruction.

> Credit Recovery/Online Learning
> Following School Board Policy IKADD both content and credit recovery are used to effectively provide students a chance to master content not previously assessed as proficient. In each case an online learning platform provided a digital means to access the content and material virtually with the support of a certified teacher. A time frame for each allows students to be accountable to the completion of the content or the course with support from the digital platform and a certified teacher. The district also has partnered with the Graduation Alliance specifically for drop-out prevention utilizing a seat time waiver from the SDE to connect our most at-risk students with accelerated courses to get on track to graduate. In each of these cases, content and credits have been recovered to propel students to graduate and remain on track to graduate with their cohort. The proficiency based approach allows for students to progress at their own rates of time and rates of mastery.

Utilizing an online content tool such as Edgenuity allows the courses we offer to align with and support current State Board of Education approved content area academic state standards. Edgenuity's instructional design team and alignment specialists continuously update the content and system to meet state and national standards. Edgenuity follows changes to standards or courses approved by the state of South Carolina. New courses are continuously in development to meet expanding course offerings. The curriculum department's structure allows for continuous moderation, evaluation, and development of new course content. A comprehensive alignment between courses that will be used in this proficiency-based plan and State Board of Education approved content area academic state standards can be found at www.edgenuity.com/SCproficiency .

World Languages

The SC Standard for World Languages is based on the premise that all course units of study will be taught in a performance-based classroom environment. Lexington School District One has provided world language learners the opportunity to become competent language speakers through a performance-based curriculum and grading practice. This practice allows our language learners to progress through their language coursework by demonstrating competency through their performance in the language on performance-based assessments.
2. Please list the specific courses students took.

## Credit Recovery/Online Learning

- Algebra 1
- Algebra 2
- Algebra 2 H
- Algebra 3
- American Government
- Biology 1
- Chemistry 1
- Discrete Math
- Earth Science
- Economics and Personal Finance
- English 1
- English 1 H
- English 2
- English 3
- English 4
- Environmental Studies
- Foundations in Algebra
- Geometry
- Geometry H
- Human Geography
- Introduction to Algebra
- IT Fundamentals
- Marine Science
- Modern World History
- Physical Science
- Precalculus
- Probability and Statistics
- Psychology
- Sociology
- Spanish 1
- US History and Constitution
- Western Civilization
- World Geography
- World History

## World Languages

If all credit bearing World Language courses:

- French 1
- French 2
- French 3
- French 3HN
- French 4HN
- French 5HN
- World Language Bridge
- AP French
- Spanish 1
- Spanish 2
- Spanish 3
- Spanish 3HN
- Spanish 4HN

5. Please have the properly certified content area teachers provide examples of how they directly assisted struggling students. Examples include manipulating or differentiating on-line curriculum to accommodate the student's learning modalities, providing tutoring, exchanging emails to discuss lessons, etc.

## Credit Recovery/Online Learning

Some examples include but are not limited to: assisting students individually with one on one tutoring regarding their classwork, review of quizzes and tests they are struggling with, and retakes of content sections students may be struggling with. Content area teachers assist students in other subject areas toward proficiency so they can receive the most meaningful instruction possible. Students also set individual long-term and short-term progress goals weekly for each class which is updated and reviewed consistently.

Teachers also set up a learning and testing center to support students who may need more time or specific support in a content area.

For multilingual learners, students are provided the opportunity to work with teachers in the World Languages department when they want to and are provided with translation tools when available in Edgenuity classes.

## World Languages

Some examples include, but are not limited to:

- Differentiating student groups and/or pair work based on their current proficiency scores. This is re-assessed throughout the course as students increase.
- One-on-one tutoring based on student needs.
- Providing a resource hub of websites to seek additional help and practice with grammar and/or vocabulary.
- Using a variety of instructional strategies to meet the needs of all learners (visual, auditory, kinesthetic, and reading/writing learners).
- Providing multiple opportunities to revise work, to learn from their mistakes, and to conference with teacher about how to increase their proficiency.
- Giving many opportunities to demonstrate proficiency through checks for understanding, formative assessments, and summative assessments and in all modes of communication.
- Students participate in giving and receiving peer feedback in speaking and writing.
- Students assess and reflect on their growth and learning targets throughout the year.
- Identifying students with accommodations at the beginning of the course to meet their unique needs.

6. Provide examples of how schools used content-recovery (best practices or alternative methods of instruction) for low-performing students in danger of failing a course.

Following School Board Policy IKADD Credit and Content Recovery experiences are provided for secondary students on a case by case basis. Specific examples of content recovery include but are not limited to: units designed through an online learning platform to recover content from a previous semester, creation of an alternative assignment to further develop skills that were not proficient and use of online software for accumulation of content from previous marking periods where proficiency was not met. In each case a specific time frame is provided for the completion of the content as it applies to the student's marking period. Other examples are:

- Teachers use content recovery to help extend student's learning of a particular unit and is used most often when students have not yet mastered the content.
- Teachers use content recovery for students to retake assessments.
- Teachers use content recovery when students have not performed adequately on overall assessments.
- Procedures for reassessment and resubmission of assignments in order for students to demonstrate mastery are established within our Grading Practices document and available for all stakeholders to view.

7. Please attach any revisions or updates to your existing proficiency-based system plan or policies.
