THANK YOU FOR YOUR SUPPORT!

Thank you all for your support during the 2022-2023 school year. We raised around \$45K in the booster-thon, over \$700 in strawberry sales and over \$600 in Chick-Fil-A biscuit sales. With those funds we were able to show appreciation to the staff with breakfasts and luncheons, fund the transportation for the 5th grade field trip, movie night for the 5th graders, help with school and classroom improvements and more! Next year we hope to replace the library furniture, purchase a gaga ball pit for the playground and have a fall festival for everyone to enjoy as well as continue to provide support to the teachers and staff!

Did You Know?

We continue to need your support more than ever!
Did you know that there are likely things you are doing already everyday that could also be supporting New Providence Elementary?

Let's take a look...

Go online to www.publix.com/myaccount. Under *My Publix Partner*, choose NPE. Then each time you visit Publix, be sure to key in your phone number that is linked to your Publix account at the checkout kiosk.

Go online to <https://rewards.lowesfoods.com/>. Click on *Enroll in Cart to Class*, choose NPE (you can link up to 3 schools to your card). Then each time you visit Lowe's Foods, be sure to scan your Fresh Rewards card at the checkout.

The *Marco's Pizza School Challenge* is for online & mobile orders only. When placing your online order, at the bottom of the Menu section you will see a *Fundraiser* option where you can choose NPE before submitting your order! This is valid at both Lexington locations! www.marcos.com

Thank you to LEGACY Martial Arts
for providing the popcorn at the 5th Grade Movie Night this year!
