Roles of the School Counselor

School Counselors see students three different ways.

Classroom Guidance Lessons

Each counselor visits the classroom every three weeks. The counselor has a 30-45 minute lesson. Your child will have a total of 11-12 guidance lessons per year with the school counselor for that grade.

Small Group

Counselors often create a small group of students for a set number of weeks to address a common goal.

Individual

Counselors meet with students one-on-one to discuss academics, goal setting, and social/emotional concerns.

Coming Soon... Career Day 2024

Meadow Glen Elementary will have Career Day on November 20th from 8:00-10:45 am. Our third, fourth, and fifth grade students will participate in a Career Fair. These students will rotate around the cafeteria and visit tables to ask questions about different careers.

If you would like to be a part of the Career Fair, please return the bottom portion below by Friday, October 4th. Contact one of the school counselors if you have any questions.

I would like to be part of Career Fair in the cafeteria for 3rd, 4th, and 5th on November 20th.
