About Me

I grew up in Gilbert and even attended this very school for K-2nd grade! I was at this school as a student when it originally split from GES to become GPS. Now being able to teach during the transition back from GPS to GES once again, has brought me full circle.

I have a fur baby named Bear who is an incredibly fluffy cat who likes to play fetch. I enjoy completing DIY projects around the house and outside, my latest project being the floors in my kitchen and living room. I like spending my free time reading in my hammock under the trees or spending time with my friends.
