

PHES PTA'S CHARITABLE GIVING COMMITTEE

With help from families at our School,
we are making a positive impact on our community!

Just a few accomplishments of PAWS for a Cause:

-  1052 lbs of food collected for Mission Lexington in January.
-  Donations taken at Movie Night last year went to help the children of Socastee Elementary School for hurricane relief.
-  \$536.42 to Special Olympics from Penny Wars last month.

For one person or family alone, it may not seem like your contributions go far.
But when PHES families join forces, we can make a difference!
Paws for a Cause is the charitable giving committee of PHES PTA.
They coordinate our gives and make sure the donations get where they need to go.
