INSTRUCTIONAL SERVICES

Board Policy FF governs naming of facilities or portions of facilities. This policy does not appear to apply to the Lexington District One Parenting Center, housed at North Lake Community Learning Center. Staff would like to refer to this portion of the facility "The Family Center". The overarching goal of the Family Center is to offer an educational space where children and families can interact socially, grow educationally, and receive support in enhancing their skills, and promote optimal child development reaffirming that parents are their child's first and most influential teacher. Board members, please let the superintendent know ASAP if referring to this part of the facility as "The Family Center" is a matter on which the Board needs to act.

OPERATIONS

If and when a real estate agent is needed, the RFP was awarded to Southern Visions Realty.

Lexington One Director of Security and Emergency Services Chris Ellisor has become a Weather-Ready Nation (WRN) Ambassador! He will now receive tools periodically via email that he can share within our organization or to external partners on various weather preparedness/safety campaigns and other initiatives. Lexington One has been added to the list of Ambassadors at weather.gov/cae/wrn and they will soon send out an announcement using their office Twitter Account (@NWSColumbia).

Portable Use in Lexington One

A board member asked about use of portables for instructional purposes throughout the district. Mr. Warren prepared that information, and it is linked [here](#).

Students with Disabilities Database

Many thanks to Board members who were available to attend last week's Special Needs Graduation. A question was asked about the total number of special education students currently identified in Lexington One. There are 4,350. This link: [Students with Disabilities](#) provides more detailed information by category.

District Strategic (Renewal) Plan Posted

The renewal plan has been posted on the website: [District Update](#). It contains data regarding district performance (through 2022) on a number of indicators as well as a summary of the final year of the district's strategic plan.
