Board members are invited to attend the District Leadership Team meeting on Wednesday, Jan. 10, 2024 from 9:00 - 10:30 a.m. The meeting will be held in the Lexington Technology Center Multi-purpose Room. Ms. Tammie Shore, the Lexington One representative to the South Carolina Board of Education, will be present to address the group at 9:00 a.m. (Ms. Shore is from Saluda.)

December 15: Bill of Rights Day - Per state statute, schools must observe the anniversary of the ratification of the Bill of Rights in a manner that brings to mind the meaning and importance of each of its ten provisions.

Half-day for Students: December 15 is a half day for students. We will release district staff a little early that day, at the same time most teachers finish their workday.

Tier 1, 2, 3 Instruction

You may hear principals refer to their "Tier 1" students, or their Tier 2 or 3 students. Tier 3 students are those who need most intensive interventions and support. [Here is a link](#) to a graphic depiction of the three tiers.

HUMAN RESOURCES

We continue to find ways to support our employees throughout their careers, including financial planning with our EAP program - [Financial Resources](#) and in attending the Retirement Planning Session so that employees can plan at every stage of life. [Retirement Planning Session Graphic](#)

Tell your friends and neighbors to Come Be the One! Teacher Recruitment Fair, Jan 20. at White Knoll High School 8:30 a.m. - 12:00 noon.

INSTRUCTIONAL SERVICES

District administration has assessed remaining ESSER III funds in preparation for the grant deadline in September 2024. The district is recommending amendments to the ESSER III budget to focus the remaining funds on the acceleration of student learning and safety. The proposed amendments will be available for public review and comment on the district's website and through a communication to employees and parents via ParentSquare, beginning next week.
