

Schools on the Move

Back in October, the S.C. Department of Education and the S.C. Education Oversight Committee released the 2022–23 School Report Cards.

These report cards are available online at screportcards.com. The Report Cards provide information about each school and district, including test performance, teacher qualifications, student safety, and other accountability measures.

Schools receive an overall rating of unsatisfactory, below average, average, good, or excellent. Elementary and middle schools are rated on five indicators: academic achievement, student progress, preparing for success, multilingual learner progress, and school climate. High schools are rated on six indicators: academic achievement, preparing for success, multilingual learner progress, graduation rate, college and career readiness, and school climate.

Last year, a new Lexington One tradition was started to recognize schools who improved their overall rating on the school report card. The schools this year who received the Schools on the Move recognition are:

- **Carolina Springs Elementary**
- **Lakeside Middle**
- **Pelion Elementary**
- **Pelion Middle**
- **Pleasant Hill Middle**
- **Red Bank Elementary and**
- **Saxe Gotha Elementary**

We would also like to recognize our schools that retained their overall Excellent rating:

- **Lake Murray Elementary**
- **Midway Elementary**
- **Meadow Glen Elementary**
- **New Providence Elementary**
- **Meadow Glen Middle**
- **Lexington High**
- **River Bluff High**

Lexington One Support Staff of the Year

Our staff members are the glue that holds our school together, and Lexington One has certainly hit it out of the park with the hard working support staff members we have in our district.

For many, they are the first person to greet our students in the morning and the last person to leave at night. They work hard to make sure our schools are clean and ready for students. They are always there to lend a helping hand, whether it's to a student who is struggling with their homework or to a teacher who needs help setting up their classroom.

Lexington One support staff members are also role models for our students, by being kind, compassionate, and hard-working. They show the importance of teamwork and perseverance. In short, they are an invaluable asset to Lexington One.
