Old Chapin Road
Lexington, SC 29072

GRADES: K-5

Floor Area 86,000 SF

Enrollment

• Current 645

Portables

• Current 0

OVERALL ANALYSIS

New Providence Elementary School was originally built in 2008. At only 10 years old this facility is in good condition and is well within its life expectancy. Facility capacity is adequate for enrollment. However, this facility is only in need of minor interior finish upgrades and site improvements.

MAJOR CONCERNS

- School needs outside storage/equipment building
- Lighting controls are inadequate.
- Secure entry upgrades

RECOMMENDATIONS

ADDITIONS \$ 100,000

- Outside storage/equipment building

RENOVATIONS \$ 131,000

- Replace folding partition
- Repaint corridors

SAFETY / SECURITY \$ 170,000

- Replace interior lighting controls
- Secure entry upgrades

TOTAL PROJECTED COST

\$ 401,000
