

NEW ELEMENTARY SCHOOL

Lexington School District One

GRADES: PK-5

Capacity: 1,000 Students

OVERALL ANALYSIS

New elementary school to replace Gilbert Elementary at the start of the 2020-2021 school year. With the recommendation to replace and relocate the elementary school, this will provide an opportunity to convert this school to a typical K-5 configuration.

MAJOR CONCERNS

- Existing elementary school is antiquated and on a constricted site.

RECOMMENDATIONS

- New School (1,000 students)

TOTAL PROJECTED COST

\$ 33,500,000
