

Needs-Based Community Support

Suicide Prevention Help: If you are struggling with thoughts of suicide,

- **Text:** START to 741-741
- **Call:** 1-800-273-TALK (8255)

Should you have any immediate concerns about your child's mental health, please contact 911, your doctor, emergency room, the SCDMH Community Crisis Response & Intervention team (1-833-364-2274), or the National Suicide Prevention Lifeline (1-800-273-8255). Should you have concerns about a child's safety or well-being due to abuse, please contact SC DSS (1-888-227-3487).
